## PRESIDENT MESSAGE

Dear Friends,

I am very happy to introduce this Information Bulletin, which contains useful practical information to help you organise your participation in the European Aquatics Junior Artistic Swimming Championships which takes place in Athens on 25-29 June.

Artistic swimming combines high technical skill, physical strength, and aesthetic appeal and is becoming an increasingly popular aquatic discipline for young people.

Not only will participating delegations receive the usual warm Greek hospitality and be able to enjoy the attractions of one of the world's most famous cities, but they will also find the optimal conditions to perform at the highest level.

Our friends at the Hellenic Swimming Federation, led by European Aquatics Vice President Kyriakos Giannopoulos, are extremely experienced and as Greece has a strong culture in aquatic sports, this is certain to be a well organised and welcoming event.

You will find in this bulletin all the key facts and information to allow you to plan and organise your participation.

It remains for me to also thank the authorities in Greece, the sponsor partners and all the volunteers, without whose support our competitions could not happen.

I look forward to seeing you in Athens.

Antonio Silva  
European Aquatics President
