Artistic Swimming**

TRAYECTORIA

The Argentina Open of Artistic Swimming is an internationally-recognized tournament that reaches its eleventh edition this year.

In October 2012, the first edition of the Argentina Open took place with the participation of multiple countries and we had the privilege of seeing in our pool the Argentine twins Etel and Sofia Sanchez, after their appearance in the London 2012 Olympic Games, among other great swimmers. Over the years, renowned international swimmers and judges with olympic and world championship appearances have passed through our pool.

During these years, we have had the participation of many countries, including: Germany, Aruba, Brazil, Canada, Chile, Colombia, Costa Rica, Croatia, Czech Republic, Spain, Finland, Guatemala, Mexico, New Zealand, Paraguay, Panama, Peru, South Africa, Switzerland, Uruguay, and Venezuela, and we always hope that many more will join

One of our main objectives in the Open is that everyone can join and be part of this discipline that we love so much, that is why we include the majority of the competition categories. We do not want anyone to be left out of our artistic swimming party.

We welcome everyone to celebrate a new year, the tenth, of our beloved Argentina Open of Artistic Swimming.
