### **Preliminary Heats and Cancellations**

Preliminary heats are held in the morning. The team leaders' meeting will decide whether to swim A/B flights based on the number of participants.

Cancellations must be made in writing. Before the registration deadline, cancellations are made in the electronic registration system. After the deadline, cancellations must be submitted to the electronic cancellation system one hour before the morning session starts.

Late cancellations (less than one hour before the session) incur a fee of €39. No-shows without cancellation incur a fee of €130, billed by the Swimming Association.

### **Finals and Cancellations**

The top 16 swimmers from each preliminary event qualify for finals: top 8 to A-final, next 8 to B-final. Events with only A-finals will have 2 reserve swimmers.

Swimmers must cancel their final participation within 30 minutes of the event's conclusion if they choose not to compete.

### **Para Swimming Finals**

Para events will have preliminaries and finals if there are more than six swimmers. If fewer than four, the event is held in the morning. If 4–6, the final is held in the evening.

### **General Rules**

An event will be held if at least one swimmer registers. Events with 8 or fewer participants are held as direct finals in the evening. Events with fewer than 4 participants are held in the morning.

SM relays require at least 4 teams. There is no limit to the number of events a swimmer may enter.

There are two categories: Open and Para. Swimmers may only compete in one category. Men and women compete in the same open category, but events are separate. AQUA points are calculated per event.

### **Scoring System**

Points are awarded similarly to the WA World Cup series. Swimmers earn points from each event they participate in.

Top 3 fastest times in 50m events during the competition earn GP points regardless of the competition phase.

Para swimmers earn WPS points instead of AQUA points. The best daily score is counted, and the final result is the sum of these scores.

## Competition Scoring

Top 3 performances based on AQUA points:

1st place: 24 points  
2nd place: 18 points  
3rd place: 12 points

Top 3 in each individual event:

1st place: 12 points  
2nd place: 9 points  
3rd place: 6 points

Bonus points for record performances:

WR: 22 points  
ER: 20 points  
NR: 18 points  
SR: 16 points

## Prizes

No medals are awarded in individual events. Top 3 teams in SM relays receive medals.
